

1 Corinthians: The Good News in Real Life

A 22-Part Series, January – June 2018

God loves us exactly as we are. But because he loves us, he refuses to leave us this way. In this book, the Apostle Paul teaches the Christians in Corinth how the gospel has the power to transform every aspect of our messy lives. God is fully committed to making us a church that glorifies him.

Date	#	Preacher	Passage	Title / Theme	Notes
