Ecclesiastes: What's the Point?

Ecclesiastes 1

1. The Argument: Life on earth is pointless
    - Meaningless: No real significance, no lasting value
    - Under the sun: Our limited earthly perspective

2. The Evidence: Everywhere you look
    - Everybody dies
    - No one is remembered
    - Nothing fully satisfies
    - There will always be problems

3. The Purpose
    - To crush our hope in idols
    - To drive us to hope in God
