# Dealing With AI

## Joshua 7

1. The Israelites were _____ (Joshua 7:1).

   Bible Principle: "Whoever conceals their sins does not prosper, but the one who confesses and renounces them finds mercy." (Proverbs 28:13).

   Here is the pattern: They knew what _____ had said → they decided to do the _____ → and _____ came their way.

   O.T. Case: King David. What God said (Exodus 20:14) → what king David did (II Samuel 11:2-4). → what was the consequence? (II Samuel 12:10-14).

   N.T. Case: Ananias and Saphira. What was God's will? (Acts 2:45-47; 4:32-37) → what did Ananias and Saphira do? (Acts 5:1-4) → and the consequences? (Acts 5:5, 9-11).

   A possible case of ours: What does God say? (2 Corinthians 6:14-15) → what do some do? (James 4:127) → what's the consequence? (Galatians 6:7-8).

2. Here's what we find in the rest of the chapter concerning our dealing with A_____ I_____ (Joshua 7:2-26).

   - It affects both the individual and those around them (vs.2-5; 24-25).
   - It brings about confusion (vs.6-9).
   - It will make God to bring everything to light (vs.10-12).
   - It needs to be removed in order for you to have victory (v.13).
   - If it persists, will only end up in trouble (vs.25-26).

3. The call is for _____ (Joel 2:12-13).
